
Col. Timmerman To Medic Unit

TAN SON NHUT, AB, Vietnam (IO)—The 44th Medical Brigade, the Army's first medical brigade to operate under combat conditions, changed commanders during a ceremony at brigade headquarters here recently.

Col. Ray L. Miller relinquished his command of the 1st Logistical Command's medical arm to Col. Frank W. Timmerman.

The 44th operates 17 hospitals in Vietnam and is responsible for all dental clinics here. The brigade is the Army's largest combat medical command.
