Air Unit Commended

TAN SON NHUT AB (Special)
— The Paris Air Traffic Regulation Center here was recently awarded the 505th Tactical Control Group's certificate of achievement for its performance in support of the tactical air control mission in Southeast Asia.

The award was presented by Col. William P. Lehman, commander of the 505th TCG, to 1st Lt. Robert S. Bartanowicz of Fort Lauderdale, Fla., Paris ATRC chief controller.

The ATRC is composed of personnel from the 1876th Communications Sq., who work alongside weapons controllers of the 619th Tactical Control Sq. to handle the heavy air traffic in the Saigon area.
