You all are the greatest!!!!!!!!!!

We Have Reached Our Printer Pledge Goal!

~~You probably noticed that this issue and the~~
December issue of *Revetments* were rather badly printed, streaks of ink across the pages and other indications that our printer was on its last legs. But at the same time, the Association membership completed our Printer Pledge Program and upon receipt of your checks, we will have a new printer in place for February's issue of *Revetments*. Although only one member indicated that his pledge was on behalf of a fallen comrade who had served at Tan Son Nhut, we feel that every pledge represents a salute to all who served there, and elsewhere in Vietnam. President John Peele, the Board of Directors and the Public Affairs Office are deeply grateful for your generosity and kindness. Please try to return your pledges by **January 25, 2003**. Please make out the check or money order (no cash please), as follows:
